FOOD SAFETY POLICY

MINIPLAST LIMITED is one of the leading manufacturers of Industrial and Household products in Ghana with over 30 years of experience in the sector. Employing state of the art technology in its production processes, and a highly skilled and committed workforce.

MINIPLAST prides itself in the manufacturing of top range products for both domestic use and exports to other West African countries. We are one of the best and longstanding Plastic Companies in Ghana and West Africa.

We manufacture and export plastic packaging products for Industries (Food & Beverage Industries) and also a leading producer of assorted plastic products for commercial and household use.

MINIPLAST is committed to complying with the Public Health Act, 2012, Act 851, FSSC requirements, statutory and regulatory requirements, Codes of Practice, and approved Guidelines mandated for food manufacturing in Ghana and mutually agreed to specifications of our clients.

Management is committed to the provision of adequate resources to ensure the implementation and maintenance of the MiniPlast Food Safety Management System, which would be subjected to annual review for effective continuous sustainability.

The Food Safety Policy and its strategic actions shall be adequately communicated to management, personnel, customers, visitors, contractors, consultants, and regulatory bodies where required and applicable while communication with Customers shall be done by the Sales and Operations Manager and team and regulatory requirement shall be done by the Managing Director and Human Resource Manager.

MINIPLAST is committed to training and recruitment of competent personnel for the activities of its Food Safety Management System.

MINIPLAST has set up a process for setting objectives and targets across all functions and processes in the organizations and monitored on regular basis.

MINIPLAST Management shall monitor Risk and opportunities & PRP'S across all the processes and implement a control measure in ensuring food safety at all times.
